Today's Agenda

- Participant Introductions
 - Your name & organization, 'type' of agency
 - Degree HIV services have been integrated at the site
 - Degree hepatitis services have been integrated at the site
- Facilitated discussion
 - What's working?
 - What's challenging?
 - What unique solutions are you using?

integration.samhsa.gov

7

HIV and Viral Hepatitis Testing

- How have testing rates differed from what was expected?
 - Are more or fewer clients agreeing to test?
 - Which clients, if any, request testing services?
- Through testing efforts on this grant, what is the HIV positivity rate?
- How does that compare to the hepatitis C positivity rate?

integration.samhsa.gov

8

HIV Interventions

- What HIV interventions are in use in the project?
- Who are the primary partners for HIV services?
- Does your agency provide PrEP or refer to an outside agency?
- What education is given on PrEP? And nPEP?
- What do you see as the community perception of PrEP?
- Which clients are asking for PrEP?
- Which clients are being proactively offered PrEP?
- To what extent are peer services utilized to support clients with HIV?

integration.samhsa.gov

9

Viral Hepatitis Interventions

- What hepatitis interventions do you and your team use in the program?
- Who for the site, are the primary partners for hepatitis services?
- If there is a medical clinic onsite, does it provide hepatitis C treatment? Hepatitis B vaccination?
- What barriers have been encountered to providing hepatitis C treatment for clients under the grant?
- To what extent are peer services utilized to support clients with hepatitis?

integration.samhsa.gov

10

Forging Ahead

- What resources or strategies do you need to improve provision of HIV or viral hepatitis services?
- What have been the greatest facilitators of your progress to date?
